

11 July 1947

Thank you very much for returning the bond and please accept my apologies for having caused you all this trouble. I still do not know how come my friend send it to me, but I am writing to him to get the dope. I am inclosing herewith a check for \$3.23 in payment of the account.

Thanks again for your help and, when things get straightened out, I shall come and see you again.

Sincerely yours,
